

17. ARCHIVE	1
17.1 Storing New Data in Archive Repository	1
17.1.1 Monitor Insertion of Data into the Archive	2
17.1.2 Recovery from Failure to Store Data	6
17.2 Handling Archived Data	8
17.2.1 Backing Up Archive Data	9
17.2.1.1 Generate List of Data to be Backed Up	9
17.2.1.2 Creating Local Backup Tapes	10
17.2.1.3 Creating Off-Site Backup Tapes	11
17.2.2 Deleting Files from the Archive	11
17.2.3 Archive Data Recovery/Restoration	12
17.2.3.1 Use of Backup Data for Recovery	12
17.2.3.2 Requesting Replacement Data from Provider	14
17.2.3.3 Manual Data Recovery from Local Backup Tapes	14
17.2.3.4 Manual Data Recovery from Off-Site Backup Tapes	15
17.3 Monitoring and Fault Notification	16
17.4 Temporary Data Storage of Intermediate Files	16
17.5 Loading Archive Media	17
17.5.1 Automatically Loading Archive Media	17
17.5.2 Manually Loading Archive Media	18
17.6 How to Remove Media	19
18. DATA DISTRIBUTION	ERROR! BOOKMARK NOT DEFINED.
18.1 Media Operations	2
18.1.1 Monitor Data Distribution Requests	2
18.1.2 Loading and Unloading Tapes	4
18.1.3 Tape Fault	7
18.1.4 Creating Labels	8
18.2 Product Shipment	8
18.2.1 QC of Hard Media	9
18.2.2 Packaging	10
18.3 Electronic Push Operations	10
18.3.1 Monitor Electronic FTP Shipments	11
18.3.2 Setting the Automatic Delete Function	12
19. USER SERVICES	1
19.1 ECS User Account Management	1
19.1.1 Retrieve User Account/Validate a User	2
19.1.2 Create a User Account	3

19.1.2.1 Account Information	4
19.1.2.2 Personal Information	5
19.1.2.3 Shipping Address	6
19.1.2.4 Billing Address	7
19.1.2.5 Mailing Address	8
19.1.2.6 Create a User Account Quick-Steps	9
19.1.3 Account Creation from URL Registration	11
19.1.4 Edit/Modify an Existing Account	13
19.1.4.1 Edit/Modify Account Information	14
19.1.4.2 Edit/Modify Personal Information	15
19.1.4.3 Edit/Modify Shipping Address	16
19.1.4.4 Edit/Modify Billing Address	18
19.1.4.5 Edit/Modify Mailing Address	19
19.1.4.6 Edit/Modify an Existing Account Quick-Steps	21
19.1.5 Deleting an ECS Account	22
19.1.6 Canceling an ECS Account	24
19.1.7 Changing an ECS User's Password	26
19.2 Processing an Order	27
19.2.1 Create a User Contact Log Record	28
19.2.1.1 How to Create a User Contact Log Record	29
19.2.2 Retrieve User Information	32
19.2.3 Locate Data Via Search and Order Tool	34
19.2.3.1 Obtain a Spatial Summary	35
19.2.3.2 Obtain a Temporal Summary	35
19.2.3.3 Obtain a Discrete Attribute Summary	35
19.2.3.4 Browse the Search Results	35
19.2.3.5 Select Granules to Order	36
19.2.4 Request Price Estimate	36
19.2.5 Specify Order Details	36
19.2.6 Update User Contact Log	36
19.3 Cancel an Order	38
19.3.1 ECS Order Tracking	39
19.3.2 Cancel an Order Via Data Server Subsystem	41
19.4 Fulfilling a Subscription	43
19.4.1 Fulfilling a One-Time Subscription	43
19.4.2 Fulfilling an Open Ended Subscription	44
19.4.3 Returning a List of Subscriptions	44
19.4.4 Editing or Canceling a Subscription	45
19.5 Cross-DAAC Referral Process	45
20. LIBRARY ADMINISTRATION	1
20.1 SEO Document Maintenance	1
20.1.1 Authoring Documents	1
20.1.2 Formatting Documents	1
20.1.3 Importing Documents	1
20.1.4 Exporting Documents	1

20.1.5 Metadata Maintenance	1
20.2 On-Site Document Maintenance	1
20.2.1 Authoring Documents	1
20.2.2 Importing Documents	1
20.2.3 Formatting Documents	1
20.2.4 Searching for a Document	1
20.2.5 Metadata Maintenance	1
20.3 Preparing Documents for Insertion into the DDSRV	1
20.4 Maintenance of Document Inventory Records and Links to Configuration Items in Baseline Manager	1
20.5 Document Metadata Insertion Subscription	1
20.6 Document Repository Maintenance	1
20.7 Document Access Control	1
20.8 Retrieval of HTTP Formatted Documents	1
21. COTS HARDWARE MAINTENANCE	1
21.1 COTS Hardware Support - General	1
21.1.1 Corrective Maintenance	1
21.1.2 Preventive Maintenance	2
21.1.3 Configuration Management	2
21.1.4 COTS Hardware Support Safety	2
21.2 COTS Hardware Support - Contract Information	2
21.2.1 Management of COTS Hardware Support Contracts	3
21.2.2 Contract Maintenance Terms	3
21.2.3 COTS Hardware Database	4
21.3 Hardware Repairs - Standard	6
21.3.1 Hardware Problem Reporting	6
21.3.2 Initial Troubleshooting/Diagnostics	6
21.3.3 Hardware Corrective Maintenance Actions	7
21.3.4 Contract On-Site Hardware Support	8
21.3.5 Return-to-Depot Support	9
21.4 Maintenance Spares	10
21.4.1 Installed Maintenance Spares	10
21.4.2 Use of Maintenance Spares	11
21.4.3 Return of Failed LRUs	11
21.5 Non-standard Hardware Support	11
21.5.1 Escalation of COTS Hardware Support Problem	11
21.5.2 Time and Material (T&M) Hardware Support	11

22. SOFTWARE MAINTENANCE	1
22.1 COTS Software Maintenance	2
22.1.1 Management of COTS Software Maintenance Contracts	3
22.1.2 Management of COTS Software Licenses	3
22.1.3 COTS Software Installation	4
22.1.4 Obtaining COTS Software Support	4
22.1.4.1 COTS Software Problem Reporting	5
22.1.4.2 Troubleshooting COTS Software	6
22.1.4.3 Corrective Action Reporting	6
22.2 Custom Software Maintenance	7
22.2.1 Implementation of Modifications	9
22.2.2 Test Plans and Procedures	11
22.2.3 Custom Software Installation	12
22.2.3.1 Scheduling the Release	13
22.2.3.2 Operations and User Notification	13
22.2.3.3 Maintenance Changes to the On-Site SW Change Manager Library	13
22.2.3.3.1 Branching Approach	14
22.2.3.3.2 Configuring the Operational Environment	15
22.2.3.3.3 Performing Merge Activities	16
22.2.3.3.4 Configuration Specifications	19
22.2.3.3.5 Branch Naming Conventions	20
22.2.3.4 Creating the SW Build Using SW Change Manager (ClearCase)	21
22.2.3.5 Promoting Software Using SW Change Manager (ClearCase)	27
22.2.3.5.1 "Change State Script" Description	27
22.2.3.5.2 Promotion_level Script Description	27
22.2.3.6 Installing the New Release	34
22.2.4 Obtaining Software Support	36
22.2.4.1 SW Problem Reporting	36
22.2.4.2 Troubleshooting	37
22.2.4.3 Corrective Action Reporting	38
22.2.5 Science Software	38
23. PROPERTY MANAGEMENT	1
23.1 Receipt of Equipment and Software	2
23.2 Equipment Tagging	3
23.3 Property Records and Reporting	4
23.3.1 Maintaining Property Records	5
23.3.2 Property Reporting	5
23.3.3 Reporting Loss, Theft, Damage or Destruction	6
23.3.4 Obtaining Relief from Accountability	6
23.4 Equipment Relocation	6
23.4.1 Intra-site Relocation	6
23.4.2 Inter-site Relocation	7
23.4.3 Relocation Off-site for Vendor Repairs	7
23.4.4 External Transfers	7

23.5 Inventories and Audits	7
23.6 Storage	8
23.6.1 Segregation Requirements	8
23.6.2 Stock Rotation	8
23.6.3 Physical Security	8
23.7 Packing and Shipping	8
24. INSTALLATION PLANNING	1
24.1 Responsibilities	1
24.2 Process Description	1
24.3 Maintenance of Facility and Network Diagrams	2
24.4 Maintenance of LAN Cable Management Schema	2
25. COTS TRAINING	1
25.1 Requesting COTS Training	1
25.2 Coordinating COTS Training	2
25.3 Canceling/Rescheduling COTS Training	3
25.4 Maintenance of COTS Training Records	3
25.5 Contractor COTS Training Funds Accounting	4
26. INTEROPERABILITY SUBSYSTEM ADMINISTRATION	1
26.1 Accessing ESOD	2
26.2 ESOD Moderation	3
26.3 ESOD Administration	4
26.3.1 Create a Moderation Group	4
26.3.2 Update a Moderation Group	5
26.3.3 Delete a Moderation Group	6
